WISCONSIN CHIEFS OF POLICE ASSOCIATION

QUICKLY REACH OVER 700 HIGH-RANKING WISCONSIN LAW ENFORCEMENT PROFRESSIONALS WITH OUR NEW TRAINING OPPORTUNITIES CALENDAR!

The Wisconsin Chiefs of Police Association's (WCPA) membership is comprised of over 700 high-ranking law enforcement professionals representing agencies throughout the state of Wisconsin.

Many WCPA members are responsible for finding and determining which criminal justice/law enforcement related training opportunities that officers from their department should participate in.

To assist our members in these efforts, we have developed a new and dynamic WCPA website feature referred to as the "***Training Opportunities Calendar***."

"Training Opportunities Calendar" Mission Objectives:

- **To provide WCPA membership with a centralized location to access criminal justice/law enforcement related training opportunities being offered within or near the state of Wisconsin as well as online.**
- **To provide WCPA membership with the ability to be instantly notified when a new training opportunity is being offered.***
- **To help build and strengthen relationships between the WCPA and criminal justice/law enforcement training service providers.**
- **To provide a new/alternative funding source to help ensure the sustainability and growth of the WCPA.**

NOTE: When a new Training Opportunity has been entered, the System will automatically generate and send an email notification to ALL WCPA Members! *Furthermore, (6) weeks prior to the event, the System will automatically send a "Email Reminder" to WCPA Members located within the geographic region where the event is being held. Both email notifications will contain key course details as well as a hyperlink to allow the recipient to access complete details. ALL training events that have been entered will be displayed within the "Training Opportunities Calendar" until they have disabled or deleted*
