

# POLICE DEPARTMENT MEMO

**Date:** 08/01/05  
**To:** Don Thaves  
**From:** Chief Tom Bauer  
**RE:** FOLLOW UP ON PPE

The WCPA Homeland Security sub-committee has been working with Luis Yudice of OJA, Wisconsin Emergency Management and the Commerce Department regarding questions posed by Association members.

Those questions have been directed to those agencies involved with carrying out this initiative. These two memos are attached and hopefully will assist Chief's in making the decision as to whether or not to apply for and accept the PPE equipment. I applaud both these agencies for looking thoroughly into this commitment of equipment and the training necessary to effectively and safely use the protective devices now and in each subsequent year.

If there are still questions, please contact Luis Yudice of OJA or myself (414)-766-7640 and we will get them addressed on the website as soon as we get the clarification.
