

Hi all:

I just received a request from Training and Standards regarding appointments

to eight (8) committees. They are realigning their committees and would like

a WCPA representative on each one.

The committees are: 1. Policing in America 2. Legal Context 3. Tactical Skills 4. Relational Skills 5. Patrol Procedures 6. Investigations 7. Career Development 8. Criminal Justice Instructor Development

Representatives must be certified instructors in the training area they wish

to serve. These are five year terms; Reps can only serve on one committee. I

assume meetings will be in the Madison area. How often I do not know.

Is anyone interested in serving on any of these committees? I am also going to put this out via the website. If you or anyone you know is interested please advise.

Thanks, Randy
