

Wisconsin Chiefs of Police Association Statement Regarding Speaker's Task Force on Racial Disparities

The Wisconsin Chiefs of Police Association was honored to have two members of our leadership team serve as members and participate in the ongoing dialogue with the Speaker's Task Force on Racial Disparities. Our organization applauds co-chairs Representative Steineke and Representative Stubbs who helped lead a helpful discussion with a wide range of input from citizens throughout Wisconsin.

Our organization is proud to support the concepts put forward by the Speaker's Task Force on Racial Disparities in their report and look forward to working with legislators on both sides of the aisle to pass meaningful legislation that helps improve our communities.
